Purchases & Sales

Responsibility

Customer agrees to be conclusively responsible for any instruction received electronically that is identified with Customer's password and Account number and for any electronic, oral and written instruction (including, but limited to, any Order) to AdminMarkets from persons AdminMarkets , in its sole judgment, believes are apparently authorized by Customer.

Quotation Information

AdminMarkets will make available, by posting on the AdminMarkets Online Trading Platform or by telephoning the AdminMarkets Dealing Desk, Bid Prices and Ask Prices at which AdminMarkets is prepared to enter Foreign Currency Contracts or Cross Currency Contracts with Customer. When requesting a market quotation, it may differ from the current price quoted by other sources, depending on the market condition. AdminMarkets expects that these prices will be reasonably related to the bid prices and ask prices available in the market at that time for similar transactions, but a number of factors, such as communication system delays, high volume or volatility can result in deviations between prices quoted by AdminMarkets and other sources. AdminMarkets makes no warranty, express or implied, that Bid Prices and Ask Prices represent prevailing bid prices and ask prices.

Order Execution

AdminMarkets will attempt to execute all Orders that it may, in its sole discretion, accept from Customer in accordance with Customer's instructions received through the AdminMarkets Trading Platform or via telephone to the AdminMarkets Dealing Desk. Any transaction entered into and made with AdminMarkets shall be concluded with AdminMarkets as a market maker. AdminMarkets will attempt, on a best efforts basis, to execute trades on or close to the prevailing

market prices. This may or may not adversely affect customer realized and unrealized gains and losses. All Contracts made and entered into by AdminMarkets hereunder will be entered into by AdminMarkets as principal. Customer acknowledges, understands and agrees that AdminMarkets is not acting as a broker, intermediary, agent, and advisor or in any fiduciary capacity. Notwithstanding the provisions of this Paragraph, Customer acknowledges, understands and agrees that AdminMarkets reserves the right to refuse to accept any order, and that all orders - if accepted, are accepted by AdminMarkets and undertaken on an "best-efforts basis" in accordance with the relevant provisions of the Trading Policies and Procedures, as amended from time to time. AdminMarkets may cancel any erroneous transaction resulting from mistaken (non-market) quotation revealed by AdminMarkets Any disputes arising out of such quoting errors shall be settled by negotiations.

Order Delays

Customer understands that while the Internet and the World Wide Web are generally reliable, technical problems or other conditions may delay or prevent customer from accessing the Web site. AdminMarkets shall not be liable, and customer agree not to hold or seek to hold AdminMarkets or any of its agents or service providers liable, for any technical problems, system failures and malfunctions, communication line failures, equipment or software failures or malfunctions, system access issues, system capacity issues, high Internet traffic demand, security breaches and unauthorized access, and other similar computer problems and defects.

AdminMarkets does not represent, warrant or guarantee that customer will be able to access or use the Web site and/or the Trading Platform at times or locations of customer choosing, or that AdminMarkets will have adequate capacity for the Web site and/or the Trading Platform as a whole or in any geographic location.

AdminMarkets does not represent, warrant or guarantee that the Web site and/or trading platform will provide uninterrupted and error-free service. AdminMarkets does not make any warranties or guarantees with respect to the Web site and its content and/or the Trading Platform, including but not limited to, warranties for merchantability or fitness for a particular purpose. Without limiting the foregoing, AdminMarkets will not be responsible for an impossibility to execute orders and requirements due to failures in the operation of informational systems caused by technical faults, which are beyond its control.

Limitation Of Liability

AdminMarkets shall not be liable to Customer for any claims, losses, damages, costs or expenses, including attorneys' fees, caused, directly or indirectly, by any events, actions or omissions, including, without limitation, claims, losses, damages, costs or expenses, including attorneys' fees, resulting from civil unrest, war, insurrection, international intervention, governmental action (including, without limitation, exchange controls, forfeitures, nationalizations, devaluations), natural disasters, acts of God, market conditions, inability to communicate with any relevant person or any delay, disruption, failure or malfunction of any transmission or communication system or computer facility belonging to AdminMarkets , Customer, any market, or any settlement or clearing system.

Position Limits

AdminMarkets reserves the right to limit the number of Open Positions that Customer may enter or maintain in Customer's Account. AdminMarkets reserves the right, in its sole discretion, to refuse to accept any Order opening a new position or increasing an Open Position.

Recordings

Customer acknowledges and agrees that any and all conversations between Customer and AdminMarkets principals, agents, employees or associates, including the AdminMarkets Dealing Desk and customer service and operations desks may, at the option and in the sole discretion of AdminMarkets , be recorded electronically with or without the use of an automatic tone warning device. Customer further agrees to the use of such recordings and transcripts thereof as

evidence by either party in connection with any dispute or preceding that may arise involving Customer or AdminMarkets.

Algo Trading

For the service provided through Algo trading service an 25% of the profit is deducted as compensation for the service. Funds that are deposited in the Algo trading accounts and are using the Algorithms of AdminMarkets are not be withdrawn within the first 6 months of deposit. when a withdrawal request is processed, the 25% will immediately be deducted from the achieved profits after which the remaining transferable amount (which equals the full account value.) will be paid.

Marketing Promotions & Bonuses

General Bonus Policy - In the interest of fair trading, traders must buy or sell at least (10) Ten mini lots in real-money mode for each unit of $10 bonus granted by AdminMarkets before submitting any withdrawal requests. Each mini lot accounts for 10,000 currency units you choose to buy or sell.

For Example: If you receive a bonus of $25 your trading requirement is 25 mini lots which equals 250,000 currency units. Keep in mind that the number of currency units you're buying or selling per trade is determined by the amount of your trade X the leverage. So for example if you're making a trade for the amount of $25 with a leverage of 1:400, 25x400=10,000 so you're buying or selling one mini lot.

By accepting any bonus from AdminMarkets you deem to accept all of the terms & conditions of Bonus Policy above.

In the case that a deposit bonus has been provided that exceed the 25% of the initial deposit, on request of withdrawal in case that the lots required for withdrawing the bonus allotted funds not completed the bonus and profit will be deducted from the withdrawal requested amount.
